

Protecting All God's People

Protecting God's Children, the Vulnerable and the Elderly Document is being revised by the Cathedral Parish Council, Schools and Stakeholders within its jurisdiction. When the document is finished, it would be published on the website for all involved to know policies and directives when moving forward. Continue to pray for the council at this time as we discern both Church and Public (State Laws) policies towards the future when handling situations to protect the rights and dignity of all parties concerned. If in the meantime you suspect abuse to Children, Vulnerable and the Elderly by Church personnel, please direct your concern or information to the Cathedral administrator, through the Cathedral parish office.
